IN RE: LOCAL EXCHANGE CARRIERS	DOCKET NOS. TCU-94-3, et al.
---------------------------------------	------------------------------

NOTICE OF CANCELLATION OF APPROVAL OF APPLICATION

(Issued November 21, 2003)

On January 9, 2003, the Utilities Board (Board) mailed annual report forms to each of the local exchange carriers possessing (or approved for) a certificate of public convenience and necessity to provide service in Iowa, pursuant to Iowa Code § 476.29 (2003). The forms were mailed to the carriers at the addresses on file with the Board.

The attached list (Attachment A) identifies 11 competitive local exchange carriers (CLECs) that have been approved for certificates, but have never filed the tariffs or maps required to actually obtain a certificate. An annual report has not been received by any of the carriers identified on Attachment A.

On the basis of this information, it appears the carriers identified in Attachment A are not providing landline local telephone service in Iowa and should not be permitted to continue to hold an approved application for that purpose. Therefore, within 30 days from the date of this order, the Board will cancel its approvals for the applications for certificates issued to each of the carriers identified in Attachment A, unless the Board is contacted by the carrier and provided with

information regarding the carrier's plans for filing a proposed tariff and/or maps, or otherwise completing the process of obtaining a certificate.

Any carrier providing updated information should file the information in the TCU docket in which the carrier's application was approved. If a carrier makes a timely filing as described above, its approved application will not be canceled at this time.

Finally, the Board will direct that a copy of this order be mailed to each of the carriers shown on Attachment A at the last known address and another copy placed in each of the listed TCU files maintained in the Board's Records Center.

IT IS THEREFORE ORDERED:

The carriers identified in Attachment A are directed to contact the Board with updated corporate information within 30 days of the date of this order. If the Board does not receive a response from a particular carrier within 30 days of the date of this order, the approved application issued to that carrier by the Board will be deemed canceled without any further action by the Board.
